PROFESSIONAL SUMMARY

Software Engineering graduate from SMK Telkom Malang offering a proven blend of technical capabilities, broadcast media operations, and exceptional leadership experience. Proven track record leading large teams as President of Paskibra and selected as an official member of the Malang City Paskibraka 2024. Demonstrates hands-on proficiency in Master Control Room (MCR) operations at a regional television network, digital marketing design, and web development. Detail-oriented, highly adaptable, communicative, and prepared to deliver impactful contributions in a professional environment.

WORK & INTERNSHIP EXPERIENCE

Master Control Room (MCR) Intern — JAWA POS TV Surabaya — 2025

- Monitored continuous on-air television transmission stability in real time, ensuring audio/video signals complied with broadcasting standards.
- Managed broadcast rundown precision across daily news programs, live broadcasts, and commercial ad spots.
- Operated broadcast video switchers, signal routing equipment, and executed prompt technical troubleshooting during live transitions.

Graphic Designer & Marketing Specialist — CV. Bintang Bersinar (Baboon) — 2022 – Present

- Produced creative promotional visual assets and brand identity materials, strengthening product marketability across digital channels.
- Formulated social media marketing campaigns that elevated audience engagement metrics and drove sales conversions.

Founder & Business Operator — Independent Culinary Business — 2020 – Present

- Oversee full-cycle business operations including recipe refinement, raw material procurement, margin analysis, and multi-channel sales.

LEADERSHIP & ORGANIZATIONS

Malang City Heritage Flag Raising Troop (Paskibraka) — Malang City Government — 2024

- Selected through rigorous city-wide assessments (physical endurance, psychology, civic knowledge, marching drills) for Indonesia's 79th Independence Day ceremony.
- Completed intensive leadership training camp and successfully performed ceremonial duties for the raising and lowering of the National Flag.

President of Paskibra Organization — SMK Telkom Malang — 2023 – 2024

- Directed organization-wide management, authored annual roadmaps, and cultivated rigorous discipline for 50+ active student members.
- Led delegation teams to regional drill competitions and served as chief protocol commander for official institutional ceremonies.

Generasi Berencana (GenRe) Youth Ambassador — BKKBN / GenRe Forum — 2023 – 2024

- Served as peer counselor and keynote communicator in youth empowerment workshops, reproductive health education, and future planning.

Event Committee Coordinator & Student Council — SMK Telkom Malang — 2021 – Present

- Directed technical stage management, live audio engineering, and operational logistics across major internal and inter-school events.

FEATURED PROJECT

KostFinder – Digital Boarding House Rental Web Platform — Web Development • 2025

Architected and developed a responsive web application facilitating seamless boarding house discovery with location filtering, pricing comparisons, detailed room facility showcases, and direct landlord messaging integration. Designed with a clean, user-centric interface.
